WISSELMAN, HAROUNIAN
& ASSOCIATES, P.C.
PROTECTING YOUR RIGHTS

GREAT NECK, NY: (October 5, 2009) Jerome A. Wisselman has been named by New York *Super Lawyers* magazine as one of the top attorneys in New York for 2009. Only five percent of the lawyers in the state are named by *Super Lawyers*.

Jerome “Jerry” Wisselman founded Wisselman, Harounian & Associates, P.C. in 1976. In addition to Jerry’s own background in accounting and tax law, he built a community practice composed of multi-disciplined attorneys highly experienced in the areas of family law, real estate law, and business and estate planning. The firm is now recognized as among the largest matrimonial firms on Long Island by Long Island Business News.

Mr. Wisselman is on the Board of Editors of the New York Family Law Monthly, where he is a regular contributor. He created and conducts legal workshops for mental health professionals, enabling them to better assist patients going through matrimonial litigation. He has also lectured on and written about grandparental matters for the New York State Bar Association, and has contributed to legislative efforts in this area of law.

The selections for *Super Lawyers* are made by Law & Politics, a division of Key Professional Media, Inc. of Minneapolis, MN. Each year, Law & Politics undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by the Law & Politics’ attorney-led research staff, a peer review of candidates by practice area, and a good-standing and disciplinary check.

Super Lawyers can be found online at superlawyers.com, where lawyers can be searched by practice area and location.

The law firm of Wisselman, Harounian and Associates was established in 1976 and is dedicated to serving Long Island, Queens

It is the firm's purpose to help protect clients' legal interests throughout the many phases of their family lives.
